

Feeding Frenzy

Welcome aboard the newest Fish in the waters that are STARFLEET Region 17 and the STARFLEET Marine Corps. As the Flagship for the Region I have high hopes and expectation For myself and Fellow members of the Tiburon and the Tiger Sharks. We have a great many obstacles to overcome on our path to greatness, but I'm confident that no matter what we will overcome.

We are a varied unit broken down into several small teams that are Fluid in their makeup. This allows us to adapt our tactics to the needs of the battlefield. As a member of the Tiger Sharks you will be required to choose two areas of expertise from a variety of jobs. If there is a job you'd like but don't see it, let myself or SgtMaj Kevin Severson know and we will see if it fits into the shape and mindset of the Tiger Sharks.

In the coming months and years ahead we have a number of chances to show our colors. The first of which will be StarFest here in Denver at the end of the month. The following month the Region 17 Summit is here with 3 of our members on the Honor Guard. In the months to follow those two events we have the IC down in San Antonio Texas which several members plan to attend. Outside of STARFLEET we will be engaged in several community service events throughout the area. Of note that is in the works are the RTD bus stops we are sponsoring, blood drives, a no kill animal shelter event, and the big one toward the end of the year Toy For Tots.

In addition to those events above we also have events that happen every month. Every Friday is Sci-Fi Friday at the skippers place. The second Saturday of each month is the General Crew Meeting for those that aren't on the Command Staff. The third Saturday is Gaming night also currently at the skipper's house. If you have any events or games you would like to see let us know.

As you can see we have a big year ahead of us and hopefully many more years to come as this ship matures and comes into our own. Any suggestions, comments, or problems you have please let myself or SgtMaj Severson know.

-Colonel Daniel Spence, Officer In Charge, 888th Tiger Sharks

Kevin Finds the Tigershark mugs equally as appealing.
